

CREATE A BLOG

amplify your team's voice and create a positive digital footprint

Here's to the crazy ones, the misfits, the rebels, the troublemakers, the round pegs in the square holes... the ones who see things differently -- they're not fond of rules... You can quote them, disagree with them, glorify or vilify them, but the only thing you can't do is ignore them because they change things... they push the human race forward, and while some may see them as the crazy ones, we see genius, because the ones who are crazy enough to think that they can change the world, are the ones who do.

SHARING YOUR TEAM'S VISION AND SUCCESS

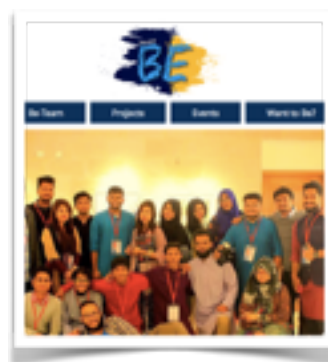

What problem are you trying to solve? Your team has investigated pressing social issues connected to an SDG and during each lesson engaged in transformative conversations around these critical problems.

Don't forget, problems exist because most individuals do not question why these issues exist, others might see the problem but believe that it will always be unsolvable, others try to solve them but fail try to fully understand them or learn from those impacted by the problem.

Congratulations on taking the steps to understand, innovative solutions and implement initiatives to address unmet needs, spark conversation about taboo topics and help make our lives more sustainable.

Last Service Lesson your team created a Vision Board capturing the hopes and dreams that your team shares.

Today you will capture these critical discussions, vision and ideas in a **team website**. Next school year your SDG team will continue to champion these ideas forward. Your team website is a platform for your team to share what you learned about problems you see in our community and what your team hopes to see.

IT'S TIME TO CREATE YOUR TEAM WEBSITE!

Now, go to <https://www.weebly.com/#signup>

Register for a blog under your ISD email address.

Your Domain Name should include your team's name.

SECTIONS TO INCLUDE FOR YOUR TEAM'S WEBPAGE

EXAMPLES CLICK ON LINKS: [PROJECTBE](#), [BORN TO SMILE](#), [FAB LAB DHAKA](#), [WIZ KIT](#)

Home Page: Team Name and Logo

Sections or Pages to include:

+Team- list team members (*first name only*), role and skills

+**Our Mission**- (What do you believe in? What do you wish? What does your team hope to see?)

+**Problem**- describe the problem you are solving, what did you learn about this problem?, how did you learn about this problem?

+**Projects**- describe the projects or tasks that your team has completed so far, include photos!

+**Upcoming projects**- list 1-3 projects that you plan to do next year

FINISHED!
